

# Quinto

The taste of quality worldwide

# Quinto

The Quinto by Bravilor Bonamat offers quality, is easy to operate and has a well thought-out design.

At just the press of a button you can enjoy hot beverages such as coffee, cappuccino, espresso or hot chocolate. In short the Quinto is the ideal instant machine for every location requiring variety and speed.

The Quinto has been made of solid stainless steel.

- Unique mixing system for perfect in-cup quality
- Mixing unit with non-stick coating to ensure optimum operation
- Selection keys for cup, mug and decanter (depends on beverage)
- Bravilor Bonamat hot water system: less susceptible to scale formation
- Descaling signal
- · Total and daily counters
- Eco mode: intelligent energy-saving mode
- · Compact design
